I'M BASICALLY A HOME BODY. I LOVE TAKING LONG BUBBLE BATHS AND CURLING UP IN FRONT OF THE FIRE WITH A GOOD BOOK. I GUESS THAT COMES FROM WORKING AS A LIBRARIAN FOR YEARS. BUT THIS PHOTO SHOOT HAS HELPED ME COME OUT OF MY SHELL. IT WAS A LOT OF FUN TO DO, AND I THINK THE CREW LIKED IT TOO!.

taking time off to get off

Mama and papa raised me to be a good girl. And I am. I like to cook and sew and I especially like being around the house. I keep a clean house and everyone who comes over has to take their shoes off. I'm not a neat freak, but I do like everything in it's place. Some of that comes from working in a library for years where each book had a specific spot.

One day a handsome man came into the library looking for a book on Ansel Adams. I showed him to the photography section and we started talking. He said he was photographer too and owned an Adams print and wanted to see if it was in the book. He came in a few more times and finally asked me if I wanted to pose for him. I said no at first but he persisted.

I finally agreed and after a few sessions he asked if I would pose nude. Well, I told him I would not! But after a few weeks, I thought and thought about it and decided I would. I called him and we set up a shoot date. All was set; me, the makeup artist, a couple assistants and his cameras. I decided I would do what he asked. He was really sweet and eased me into it. The crew, however, was a little shocked. I was their town librarian.

So, if you've read any good books or just like what you see in little ol' me, why don't you give me a call and we'll talk. Over 18 only.

Sara Jay started out as a dancer in the adult business when she was just barely legal and out of high school. She found her Midwest roots a little boring so she moved on to Las Vegas to continue her career. Until that point she had not done a hardcore scene. But after her first go at it, she was in love with sex on camera and has flourished ever since. A performer who truly loves sex, Sara Jay is the favorite of many of her partners. They like her enthusiasm, her willing-

ness to please, and her always great attitude on set. She tells us that carries over to her private life as well. Sara Jay is also the star of many websites; some devoted to her, some linked to her friends. She attends fan events and thinks her fans are the best. Always the showgirl, Sara Jay is a bit of an exhibitionist. With those boobs, that butt and that body, who wouldn't be. She likes men and women equally well and can please either sex with just a flick of her tongue – and smile.

Returning from the great Northwest last month, Sara Jay is ready and willing to spend some time with her fans. If you would like to be one of them, call the number below and say so. Please be over 18 before you call.

We sure do.
Lucy's premier appearence was in a pictorial with longtime friend Mae. Our reader response was huge.

Was it her overt sexuality, her golden locks, her kick-ass body? You told us it was all of that – and more. She exudes an eroticism that pulses blood through men's cocks, and soaks ladies' pussies. Those are qualities we truly admire in a woman.

I was rummaging through a chest in the attic when I came across a lingerie outfit I wore on a photoshoot twenty years ago. I couldn't believe it and tried it on. It still fit perfectly. So at dinner that night I told my husband about it and he suggested I do a new shoot with the same outfit. I blushed. I was only twenty then but said okay. We called a photographer we knew and he said he would shoot me just like the old pictures. He would get a makeup artist to do me up just the way it was back then, hair and all. I told him I needed six months to grow my pubic hair back and lose a couple pounds.

Six months later...

So I show up at the photo shoot and I saw the set. They had copied the old set from the original photos all the way down to the wooden screen in the background. Only the color of the sheets was different. I got made up and it was deja vu all over again. I was amazed, and so was everyone else, that I looked just the way I did twenty years ago. My boobs were a little bigger and a couple more wrinkles, but I was the same! It was a bit freaky.

The only difference from the original shoot was my trusty vibrator. I hadn't posed in a long time and was quite nervous. After about half an hour, I asked if I could use it to loosen me up. They didn't have to take any shots, just give me a few minutes with it. (some people like to have a drink, I like my vibe). The photographer insisted he shoot me using it and that was a lot of fun. I forgot completely that the cameras were there and after another half hour, I came! Well, a few days later I got to seer the pictures and they were fantastic. And my husband loved them. He insisted I wear the outfit to bed that night. Needless to say, we fucked all night.

But there were some other things that I did during the photo shoot that my husband doesn't know about. I'll tell you, but only if you can keep a secret. Call me and I'll share them with you. But you have to promise not to tell. They're pretty steamy.

Over the years we've received thousands of letters, many of which we have printed, some of which we have not, and others that were too long, too unbelievable, or not quite a letter but more of a story. We've decided to take these stories you've submitted and give you a forum for them. So kick back and have a read about what other people on the planet are doing. We guarantee you every one was written by a human. Have a story to submit? The next page will tell you how.

From Darleen in Atlanta...

I really like to have my pussy licked. I don't really care is a guy or girl does it, just as long as someone does it! I want that tongue sucking my clit and probing the insides of my pussy as far as it will go. Don't get me wrong, a cock is okay but it can't do what a tongue does!

I've been with this girl Michelle for a few months now who just does me right. She's a great pussy licker, but won't tell me where she learned it. I always tease her about that. She'll lick and suck me until I cum in her mouth.

The other night we were at the movies. You know, one of those romantic movies that women like. I promised her a great night of sex if she would come with me movie with me and try not to cry. She did and afterwards said she actually liked the film. But she also brought up the promise that I made and as soon as we got back to my apartment, I slammed and locked the door, grabbed her and started rubbing my crotch on hers.

Michelle was already wet and I was unzipping her pants before our coats came off. She dropped her coat then took mine off and immediately slipped her hand up my skirt. A surprised look hit her face as she felt no underwear. I smiled at her and pulled up my top and he saw no bra either. I pressed my bare boobs on her chest and my nipples got even harder. I felt her fingers enter my pussy and I moaned and squeezed my legs tighter to keep them there so I could get extra wet for what was about to happen.

She led me over to this big double-sized chair in the living room, stripped me naked and left me there. She went into her bedroom and came back after a moment with a huge vibrator I had not seen before. It was a flesh colored and had an bunny-looking appendage coming out from the shaft that was a clit-tickler. She turned it on and could see right away that it was turning me on. She put it near my pussy to tease me, but then knelt down and began licking me holding the vibe at the opening to my slit.

She then turned the bunny to the back so it could tickle my booty hole. It felt great as she lowered her tongue onto my clit and I felt all the sensations: her warm wet tongue on my love button, the buzzing vibe inside my pussy, and the tickler going at it between my butt cheeks. I closed my eyes and just took it all in, literally. After a few hip grinds, well-timed licks, and butt pinches (she knows all the tricks), I came so hard I fell off the chair.

Michelle helped me up and led my limp body to the bedroom where we continued fucking for the next six hours. She took me home the next morning. We went straight into my bedroom and I made her lick me again. Sometimes a girl just can't get enough of a good thing.

From Leon in St. Louis..

It was a warm sunny summer afternoon and I headed over to my friend's house to see if he wanted to play golf. It was a Saturday and even though the links would be crowded, I was in a great mood and I felt that I could beat him good.

When I got to his house and rang the bell, his sister. She was in her mid-twenties and I remember her when she was just entering high school. She had blossomed into quite a woman over the years with a great ass and double Ds. Her name was Shelly and she was wearing a blue tube top that showed plenty of cleavage and her skirt was very short and tight as well. She she greeted me a with a smile and told me to come upstairs. I gladly followed her up the stairs as I stared at her lovely ass as it wiggled in front of my face as I walked up behind her. We got to their apartment and she told me to have a seat in the living room. I walked over and sat on the couch as she walked to the back of the apartment. I figured she was going to call Herb and tell him I was here.

After a few minutes, she walked back into the living room and told me to wait a few minutes. I didn't mind at all since she was straightening up a few things in the room and I was enjoying the view. She would bend over the coffee table to wipe it off and I would just stare at that phat ass as it

had trouble staying inside her skirt. She almost caught me as she looked up quickly in my direction but I tried to look away as fast as I could. The only problem was that I had a huge hard on that was difficult to hide.

For a moment, there was an awkward pause. We looked at each other waiting for the other to say something first. I break the silence by saying that I thought she was really pretty. She looked at me and asked if I really thought that. "I do." I said. "I think you're really hot and I often daydream about you." I see a small smile come across her face and it broadens into a bigger one. I wondered how that made her feel but by the expression on her face I think I knew. A moment later she got up and walked over to me, and placed both her hands on my thighs and gave me a little kiss on the lips.

She pushed my knees apart and dropped down between them. She told me to just lay back and enjoy what was about to happen. As I leaned back against the couch, I felt her rub my crotch and find that I had become quite hard. She reached for my belt, undid it, pulled my zipper down, and reached in and grabbed my cock. She played with it for a moment and then undid my pants and as I lifted my ass she pulled them down. In the same motion my boxers came off and my erection sprang to attention in front of her face.

Just to be sure I asked her if Herb was indeed out for the day. She said he was and began sucking my cock. I thought to myself that she had known this all along and had made plans to do this to me the next time I came over. Those thoughts quickly disappeared as her mouth went down on my cock. She began to lick the tip of it and moved slowly down the shaft. Her hands played with my balls and I felt as though I was in heaven.

As I lay back with my eyes closed I heard her slurping her way up and down the length of my cock. It turns out she is a great cock sucker. I gathered myself together and asked her where she learned this. She looked up to me and smiled and then plunged her open mouth all the way down to the base of my cock. I felt her

I leaned forward and buried my face between them taking in the aroma of her body and the sweat between her boobs.

tongue come out and try to reach my balls. She pulled her mouth back, grabbed my shaft with her hand and pushed my cock to my stomach. She lowered her face into my balls and took them in her mouth. I felt her tongue explore each one as she closed her lips tightly around them making both extremely sensitive. Her hand stroked my cock feverishly as her rhythm increased.

I finally opened my eyes and it occurred to me that she still had her top on. I reached down her sides and pulled her top up over her head. I told her that I had been dying to see her boobs. She stood up in front of me and began to play with them. She pushed her left breast up to her mouth and began to suck on the nipple. After a few sexy licks she switched to the other breast. My eyes were fixated on what she was doing. She sat down next to me took my hands and placed them flush on her big boobs. Immediately I began squeezing them and she let out quiet moans of pleasure. I leaned forward and buried my face between them taking in the aroma of her body and the sweat between her boobs. The smell of it made me even harder.

I stood up in front of her, my cock pointing at her chest and as I took a step closer to her she grabbed it and put it between her breasts. She rubbed them up and down on my cock, lowering her head from time to time to flick her tongue on the tip of my cock. I looked down at this wonderful sight, closed my eyes and opened them again to be sure I wasn't dreaming. I was now tit-fucking the most amazing boobs I have ever seen. I could've died right on the spot a happy man. But she had more in store for me as she grabbed my cock and began to suck on it again. As she sucked on it, I played with her breasts and within minutes I could feel myself ready to burst. Apparently, so could she.

But she told me I couldn't do it right then. She stood up and took my hand and pulled me across the living room and into her bedroom. She playfully pushed me down on the bed. I fell face first and stayed there. She quickly dropped her skirt and I felt her hands on my butt cheeks. She scratched them and it made my butt rise in the air. When it did she reached under and grabbed my cock. Just by her actions I could tell that she wanted me on my knees. I obliged and felt her hand stroking my cock as if she was milking a cow. Soon her face was burrowed into my butt and I felt her tongue on my balls.

She paused for a moment and I felt her

get on the bed on her back underneath me. She maneuvered herself into a position where my cock could go straight down her throat. As she did I immediately turned myself around and into a 69 position on top of her. I heard her moan and felt her arch her

hips rise up to meet my tongue. I opened her thighs to gain access to her love button. I pulled open her pussy lips and began to lick her clit as I pumped my cock in and out of her throat. She grabbed my butt and pulled my hips down so my cock would go deeper into her mouth. I buried my tongue inside her slit as deep as I could and moved it around until I felt her thigh muscles begin to contract. That made me even more excited to think that she could come as I was licking her. Somehow in the middle of all this she released my cock and pushed both my nuts into her mouth. She sucked so hard that I felt one start to go down her throat.

Fearing for my balls I rolled us over so she was on top. This gave her better access to my rigid cock, and I think she also liked it as she buried her pussy on my face. I found her clit and begin to suck on it as I felt it grow between my lips. I focused my attention on her boobs pressing against my belly. I reached for them and felt her raise her chest so I could cup them. I found each nipple and gave them a pinch in turn. As I did I felt her teeth on my cock as she returned the pleasure. We went at it like college kids on their first fuck date.

After about an hour in each other's mouths I felt that I needed to cum. I told her to use her hand along with her mouth and jerk me off which she did with great abandon. As she did I fingered her ass hole and slowly stuck a finger in it as I was eating her out. As I came, I pushed the finger in all the way and she arched up with the soft scream in pain along with me. We disengaged a moment later as she fell back on the bed. After the heavy breathing stopped she looked at me and said "I never imagined you to be such a great lover." I looked at her and smiled and told her that I had been saving it up for her, and I was actually a bit out of practice. She laughed and got up to go to the bathroom to clean up.

I gave her a moment and followed her in and as she was leaning over the sink I pushed my cock into her pussy. She didn't flinch as I rammed it in and out of her tight hole. She leaned over further onto the sink and raised up on her tip-toes so I could go in deeper. I fucked her from behind for a good 10 minutes. She raised herself and caught my eye in the medicine cabinet mirror in front of us. That told me she wanted to turn around and I pulled out and let her do it. Now, this angel was stark naked in front of me with her heavenly breasts right at my fingertips. I entered her pussy once again and grabbed both of her sizable melons as she leaned back on the sink. We fucked like this for another 10 minutes and I was ready to come again. Always the gentleman I pulled out at the last moment and she lowered herself so I could come on her breasts. I watched as she squeezed out the last drop.

We both finally cleaned up, redressed and went back out to the living room. She offered me something to drink and I said I would just like some water please. She poured me some spring water and a glass for herself. We went back to sit on the sofa and as we got there her brother came through the door. He threw his keys on the coffee table, said hello to his sister and to me. Herb asked if we were going golfing today. I told him the day had gotten kind of late and I was tired. Perhaps next week. I told him I had to go and would catch up with him at work. I thanked his sister for the water, grabbed my jacket and headed out the door. On the drive home my cell phone rang. I answered and heard her sweet voice telling me what a good time she had – and that I was welcome to come over and play anytime.

Admit it.

At some point in your life, while you've been working out at the club, you fantasize about the women at the club. There's always one that captures your imagination. From the treadmill to the stair-stepper, you've managed to keep your eye on her. Then one day in the club's Jacuzzi, you feel her presence.

"I know you've been watching me." she says. You look very surprised. "I don't mind. I've been looking at you too." Then she reaches into the water and feels your rock hard erection. "So this is what you think of me?" she says.

Some words for Mistress Oralee

My name is Sharee, and I am 42-year-old woman who began reading your column when my husband brought home your magazine. Some of the letters that I've read in it have been making me extremely curious.

I'm the kind of woman who needs a good fucking on a regular basis. Recently when my husband what is out of town, I started feeling myself down between the thighs. Fortunately, I own two vibrators -- a five inch one and a seven incher. I started off by getting naked and bringing the two fun tools into my bedroom. I placed the seven incher on my clitoris and turned it on, allowing the vibrations to stimulate me.

To all my fans, I hope you'll keep writing so I can read your sexy letters. I love you guys – Mistress Oralee.

My body is in great shape. I have a hot, curvy ass and well-proportioned 38D breasts. I put the five inch vibe on my nipple and it grew hard. I took the other vibrator and teased the long crease all along my throbbing pussy. Then I lay on my back and drew my legs up, opening my hot snatch. I took my fuck probe and plunged it into my tight hole, allowing my muscles to grip it.

It felt good, but I wanted more. I turned the dial up, and my fuck toy buzzed and shook like mad. The sound of that turned me on, and the vibrations massaged my twitching pussy quite well. Getting even more horny, I grabbed the five incher and rubbed it on my clit as the seven incher buzzed deep inside me. Soon I was squirming and rolling all over my mattress tensing my long legs and buttocks.

I stopped short of coming, and decided to go a little further. Prolonging my orgasms makes them better and stronger. I went to the closet and took out a porn tape and put it into the machine. My husband and I would watch porn sometimes when we fucked. I have a favorite scene in one movie where two studs service one girl. They both offer up their cocks to her on her knees and she sucks one while jerking the other and then switches over. It's not that I want to do a three way, but to see two huge cocks like that, I often imagine myself in her spot.

And it makes me gush. Love juices oozed down around my vibrator and ran down my thighs. All that stimulation plus the nasty thoughts racing through my mind brought me to my long pre-orgasm phase. That's when I pushed the vibrator all the way in my pussy and kept it there. My pussy swallowed it whole, and it felt as though my body was vibrating from the inside out. A body rocking orgasm followed. I took my tool out and lay back on the bed to relax and watch some more of the porn. I got all hot again and a while later I had one vibe back in my pussy as the two guys on the screen began to fuck the lucky lass.

I love the freedom and control I have fucking myself with vibrators. While they are not as good as a hard cock, they are a convenient fuck whenever you really want one. I think all women should own several of them and carry one in their purses all the time.

Dear Sharee – Not all women have the sex drive you seem to have. Not all women want to have something hard and impersonal shoved into their pussies. But for those who do, I hear they love it, as apparently you do. Using a vibrator can be fun and stimulating. Have you ever used it with your husband, or on your husband? There is a whole world of sex out there other than the missionary. I always encourage everyone to explore their own desires in a safe manner. Have fun! – O

HEY, COWGIRL

When the editor and photographer asked me what my favorite fantasy was, I told them I always dreamed of being a cowgirl. But that I was afraid of horses. Well, they promised me we could do a western shoot without horses as long as I rode a dildo. I said, "Bring it on city-slickers."

WE ASKED JENNY WHAT HER FANTASY WAS AND SHE SAID COWGIRL. OKAY, SO LETS PRETEND.

During the shoot I fantasized about being with a rugged cowboy. We began by riding on the range, herding them cattle. Later, after he put his horse in the corral, I drew us a nice warm bath and we settled in for some lathering. I got to wash him down and he did the same to me. After the bath, I dusted him with powder and stared to lick his dick. He spread my pussy lips and plunged a large raw finger deep inside it.

JENNY GOT RIGHT INTO COSTUME. WE TOOK TWO SHOTS AND GOT HER RIGHT BACK OUT OF IT.

I got on all fours and he mounted me from behind. I grabbed his long hard cock and eased it into my hole. I pushed back on him and began to buck like his favorite bronco. He grabbed my hair like the reins and rode me for an hour. I bucked and threw him off. Climbing on top of him, I jammed my pussy into his face and went down on his cock with my mouth.

THINK YOU CAN TAME THIS COWGIRL? CALL HER NOW AND TELL HER. 800-587-5223 18+

I sucked on his cock as he sucked on my pussy. He then pushes me off and jumps up waving his cock like his ten gallon, and sticks it into me. On my back I can see his wild face and feel him ramming that cock in and out of me until I explode like hot coals on a roaring fire.

Confessions of a Hot Older Woman

Older women? What about wiser, wilder, wanton women? Because I'm quite prepared to admit that I have every intention of becoming a dirty old woman. Of course I use the word "dirty" rather loosely. I suppose what I really mean is that I expect to still be interested in all things sexual(and especially all things kinky) right to the bitter end! I've certainly become more passionate with age and more interested in experimentation. Don't get me wrong - I've always been highly sexed but it's only in recent years that I've developed the poise, the self-assurance, to be comfortable with my downright horniness! And while I still enjoy "vanilla sex" I enjoy even more exploring my naturally kinky nature and if it's with a man who's younger than me (sometimes CONSIDERABLY younger than me) then so much the better. These days I find myself indulging in all kinds of sexual fantasies in all kinds of places.

Call Now. 800-735-4058 **Must be 18+**

The young man at the grocery store, the businessman having lunch in the local bistro - all are likely to be disconcerted by my appraising glance! Since we all know - or SHOULD know - that the most sensitive erogenous zone is between our ears, then it makes sense that it's a woman's aura, her vibe, that arouses a man's interest. An older woman is more likely to give off an air of confidence, an air of knowing just what she wants and how to get it. Such a woman knows her body well and knows how to extract every last drop of pleasure from it. She's comfortable in her own skin and doesn't waste fretting about minor imperfections the way she might have done in her twenties. By the time she's in her forties a woman knows what's important. She knows the value of taking her time, knows that where there's one orgasm, there's also another and another. An older woman is experienced in the ways of pleasing a man and, more importantly, in how to please herself. She's not looking for a man's approval - she already knows who and what she is and what she demands from life. You won't need to spend your time trying to guess what the older woman wants from you - she'll let you know!

A word about "head games" and yes, there's a world of difference between a mind fuck and a head game. The kind of head game an older woman plays is more likely to be a way of enhancing her enjoyment - and her partner's - rather than to bolster a fragile ego as is often the case with a younger woman. Oh, and you won't find an older women asking "What are you thinking?" because, quite frankly, she doesn't much care.

If you want your world to be rocked, rather than just a little shaken, then seek out the older woman - she'll rock your world in ways a younger woman hasn't even thought of yet!

There's little that you can say to Deanna that she hasn't already heard. From the one liners to lengthy conversations about the building of the pyramids, Deanna has heard it all. What "all" is, well, you'll just have to imagine.

"I like to keep my men guessing." she says. "It's the excitement of the unknown that drives men crazy. They don't know that I'll eventually give it up, but until then the chase is on. Ready, set, go."

I'm more woman than you'll ever need!

Deanna

"Men just love my big boobs. They are a man magnet. I wear low cut tops and show them off as often as I can. When I catch a man looking down at my cleavage, I laugh inside thinking, 'yeah, you really want this.' Then I'll say, 'Does something down there interest you?'"

"The bold ones will say yes, The embarassed ones will look away. But I like them both. A reserved man may let loose in the bedroom. A cocky man may be too bossy or into himself and not me.

There's much more to me than these boobs and this hair. I love to please a man and I've not had one complaint in all the years. Every man I sleep with wakes up satisfied. Every man I sleep with knows he's been with Deanna. So why don't you call me now and I'll tell you how to be my man. Call me only if you're over eighteen! Here's my number – big and bold...
